Anita WILLIAMS

O B I T U A R Y

Anita Ann Williams, lovingly known as "Nita Ann," was born on September 3, 1997, in Arcola, Texas. She entered eternal rest on July 27, 2026, in Houston, Texas, at the age of 28.

Anita was a loving, fun-spirited, and energetic mother, sister, niece, cousin, and friend. Growing up, she was the athletic one in the family—always ready to race, turn cartwheels, do backflips, or take on the next friendly competition. Her laughter, jokes, and lively personality made her a bright presence in the lives of the people who loved her.

Family meant everything to Anita. She wanted the children to grow up playing together, and she looked for every opportunity to bring loved ones into the same room. Sharing food and drinks with family and friends was one of her favorite ways to gather everyone close. Her family will remember the love, humor, motion, and unmistakable spark she carried wherever she went.

Anita was preceded in death by her beloved mother and father. She leaves to cherish her memory six beloved children and her 12 siblings: Janza Parks, Carol Parks, Elton Parks, Tesla Williams, Melissa Parks, Laraine Parks, Torell Parks, Vanessa Parks, Victoria Williams, Derrick Burton, Eric Kiatta, and Valerie Williams. She is also lovingly remembered by the Williams, Parks, and Jones families, along with many nieces, nephews, cousins, and friends.

Anita, your family will miss your laughter, your jokes, and your beautiful, energetic spirit. Say hello to Mom and Dad; we know you missed them dearly, and we miss them too. We find comfort in believing they welcomed you with open arms beyond Heaven's gates. There is no more suffering and no more pain. God has gained another angel, and one day we will meet again.

Forever loved by the Williams, Parks, and Jones families.

From the Family

Anita was a very loving, fun, and energetic sister, mom, cousin, and niece. Growing up, she was always the athletic one—ready to race, turn cartwheels, do backflips, or compete with anyone who was willing. We are going to miss her laughter, her jokes, and her funny, energetic personality. Anita was a highlight in all of our lives. She wanted to bring everyone together, she wanted the children to play with one another, and she always wanted to meet up for food and drinks—one of her favorite things to do. Anita, you will be deeply missed. Say hello to Mom and Dad. We know you missed them dearly, and we do too. We believe they met you at Heaven's gates with open arms and a big hug. No more suffering and no more pain. God has gained another angel. We will meet again.

From Janza

My beautiful little sister, gone way too soon. This all seems so surreal. I will miss your beautiful smile and your phone calls. I'm so, so happy you got to meet your nephews. You are with the Lord now. You can relax and be at peace. My sister's new home is a place of peace, light, and unending love. She is safe in Heaven.

Anita, I love you and will carry your spirit with me in every step I take. I will see you again.

Love you forever,

Your oldest sister, Janza

From Her Parents

Even though we were not there with you in the flesh to protect you, we are happy that you are with us now.

From Carol

How precious you are
How special you will always be
You knew you were loved
And you cared for those who cared
for you
Times come that no one cares to see
But facing the hard times together
eases the ache slightly
You were loved
You are loved
And you will always be loved

Sincerely,
Carol

From Melissa

My heart is shattered.

I still can't believe you're gone. You always made sure I knew how much you loved me, and you always told me how much I reminded you of Mama. After Mama passed away, you would tell me it felt like I became your mama, and those words will stay with me forever.

I wish I had one more chance to hug you, laugh with you, and tell you how much I love you. Life will never be the same without you here.

Thank you for being my sister, for loving me the way you did, and for giving me memories I'll hold on to for the rest of my life.

I love you always, Anita.
Rest peacefully until we meet again.

From Tesla

Hey Anita, it's one of your favorite sisters, Tea. I love you dearly, and I'm going to miss you so much. I wish things had not gone the way they did, and I really wish we would have gotten a little closer before you made your way into Heaven. I love and miss you. Hug Mom and Dad for me, because I miss them too.

Love, Tesla

From Miracle

I love you so, so much. Even though you weren't there through all of my time, I will never let anybody replace you. I love you so much. Nobody can replace the love you had for me. I will have twice as much love for you.
